A 2-day Intensive OSCE Course 1. OSCE Circuit Training Day/ Saturday

Course aims: The aim is to help you pass the MRCOG by preparing you for the Oral Assessment part of the examination. These courses are held after the results of the written exam have been announced, a few weeks before the actual date of the Oral Assessment examination. For many candidates this may be their first OSCE-style examination. These courses provide 'real time' OSCE practice, individual feedback, and exam-orientated preparation.

Course Duration: Saturday: Please see table on website for dates

Course Details:

- Details of exam system, marking scheme and techniques.
- Discussion of various types of OSCE stations, with examples.
- Full, real-time mock OSCE circuit, with examiners, role-players, preparatory and active stations.
- Marking and individual feedback.

2. OSCE Counselling & Communication Day/ Sunday

Course Duration: Sunday: Please see table on website for dates

Course Details:

- A whole day of intensive training.
- Tuition on communication and counselling skills.
- Exam-like questions and clinical scenarios.
- Group work and individual feedback.

Venue: Birmingham Women's Hospital, Birmingham.
